

Your Vote is Important! Additional Action Required.

We have received a ballot envelope with your name on it. However, we are unable to count the ballot because either your signature was not on the envelope or the signature did not match our records. Utah law requires that we verify the signature on the ballot envelope before the ballot can be counted.

Fixing the issue is easy, submit the necessary information **by 5:00pm on Monday, July 8, 2024**, and your ballot will be counted.
